

ASSISTANT SUPERINTENDENT'S REPORT

I assumed the position of Assistant Superintendent for the 7th Division PNR-NMRA mid-term in November 2022 and will be standing for re-election at this year's Annual General Meeting. Since joining the Board, I have been learning about the governance and operations of our organization and assisting our superintendent wherever possible, including filling in for him at our recent Railway Modeller's Meet.

I look forward to continuing to serve our division and assisting where I can. I also hope to bring in some new initiatives at some point, the first of which will be a continuing series of bi-monthly modellers' video meets. These are intended to strengthen our model railway community and provide activities and connections for those members who live further afield.

I wish to thank all of our volunteers who made RMMBC 2023 such a success, and all those already working on Vancouver Train Expo 2023 and our PNR Regional Meet in 2024. Please consider lending a hand if you can.

I wish everyone a productive fall with enjoyable operating sessions and quality modelling time!

Timothy Horton
Assistant Superintendent
7th Division, PNR-NMRA
